## NUANCE & DECO

## Harmonic balances Equilibri armonici

Essential Brick is a collection of glazed bricks in 2<sup>3</sup>/<sub>8</sub>"x9<sup>7</sup>/<sub>16</sub>" format, available in 6 harmonious colors ranging from neutral shades to light up in intensity of green and blue, up to an expressive and refined black. Creative compositions with artisanal charm come from the combination of bricks with the Arco 3D decoration, characterized by relief lines that further enhance the brightness of the surface.

Essential Brick è una collezione di mattoncini smaltati in formato 6x24 cm proposta in 6 colori armonici che spaziano da tonalità neutre per accendersi nell'intensità del verde e del blu, fino ad un nero espressivo e raffinatissimo. Composizioni creative dal fascino artigianale nascono dall'abbinamento dei fondi con il decoro Arco 3D caratterizzato da linee a rilievo che fanno ulteriormente vibrare la luminosità della superficie.

## Trendy shades for maximum creative freedom

Sfumature di tendenza per  
la massima libertà creativa

Perfect for furnishing environments with a modern and decisive character, Essential Brick emphasizes the tactile dimension and the authenticity of an irregular and deliberately imperfect brick. An extraordinary graphic and decorative richness with vibrant shades, made even more vivid and deep by a structure applied to the porcelain stoneware support, reinterprets the unique flavor of the "handmade", contributing to increase the feeling of movement and brightness of the whole.

Perfetti per arredare ambienti dal carattere moderno e deciso, Essential Brick enfatizza la dimensione tattile e tutta l'autenticità di un mattoncino irregolare e volutamente imperfetto. Una straordinaria ricchezza grafica e decorativa dalle tonalità vibranti, rese ancora più vivide e profonde da una struttura applicata al supporto in gres porcellanato, reinterpreta il sapore unico del "fatto a mano", contribuendo ad accrescere la sensazione di movimento e lucentezza dell'insieme.

## Pregio estetico e tradizione ceramica

Pregio estetico e tradizione ceramica

The surface of Essential Brick is characterized by an irregular finish that makes it particularly soft and pleasant to the touch. Resistant to both stains and chemical agents, it does not require specific treatments and is easily cleanable, making it perfect for commercial and public applications. The collection is enhanced in combination with different materials for the floor, such as wood-effect porcelain stoneware, stone, or concrete-effect, becoming a naturally material background to be completed with refined furnishings with an eclectic style.

La superficie di Essential Brick è caratterizzata da una finitura irregolare che la rende particolarmente morbida e piacevole al tatto. Resistente sia alle macchie che agli agenti chimici non necessita di trattamenti specifici ed è facilmente pulibile, perfetta quindi per applicazioni anche in ambito commerciale e pubblico. La collezione viene valorizzata in abbinamento a materiali diversi per il pavimento, quali ad esempio, il gres porcellanato effetto legno, pietra o cemento, divenendo uno sfondo naturalmente materico da completare con arredi ricercati dallo stile eclettico.
